

Dear participants of the 55th Annual GA Congress in Graz,

at the end of the year I am contacting you again to provide you with the link to the photographs of the Graz meeting.

The photographs have been put onto the PicasaGoogle photo album, in a way that the photos are not accessible to the public, but can be accessed by anyone with the login and password.

To access the photos, you need to:

Go to <http://picasaweb.google.com/GA2007Graz>

At the top right select "Sign in (Anmelden)"

You get a new page.

In the box to top right enter

Login (E-mail): GA2007Graz@gmail.com

Password: echinacea

You get a new page.

Select in the top left "My photos"

You should then get the page of albums and you should find five albums of pictures. Select an album and click on this. The album will open and show you all the photos it contains. You now have a choice. If you want all the photos, you can do this by selecting 'Download album' in the menu at the left side of the screen. If you want to download a specific photo, click on the photo and it will open. In the menu at the right hand side you can then select 'download photo'. Both these operations allow you to transfer the photos from the web-page to your own computer.

Please do not in any way alter the photos on the site.

On the other hand, please do feel free to download any or all of the photos. This you can do either by down-loading the album for each session, or by selecting within each album just the photos you want to keep.

I hope you enjoyed the meeting in Graz and that the photographs will remind you on these days.

Best regards and all the best wishes for a lucky, healthy and prosperous new year,

Rudi Bauer

Chairman of Graz2007
