Society for Medicinal Plant and Natural Product Research

Clinical Testing of Herbal Medicinal Preparations in Africa

30 April | 5 pm CEST / CAT

[→ Register here](#)

About the event

This eSeminar will bring experts in herbal medicinal research to discuss the clinical testing of herbal medicinal preparations in Africa.

We will discover the journey of HMPs from preclinical research to phase III clinical trial design, and explore the unique challenges and opportunities in this field.

Join our community:

This Seminar is offered free of charge by the Society for Medicinal Plants and Natural Products Research (GA) and PharmaConnect Africa (PCA).

[Become a GA member](#) and help us to offer further free eSeminars!

Speakers & Topics

- ▶ **Prof. Sylvin Ouedraogo (IRSS, Burkina Faso):**
Unveiling the preclinical dataset of a herbal treatment for sickle cell disease.
- ▶ **Dr. Merlin Willcox (University of Southampton, UK):**
A step-by-step guide on developing a phase III clinical trial design
- ▶ **Prof. Motlalepula Matsabisa (University of the Free State, South Africa):**
Insights into the challenges and opportunities of clinical testing of HMPs in Africa.
